NUST Preparation at AGS Evening Program ***Medical***

NUST test is based on Biology, Chemistry, Physics and English. At AGS, NUST entry test preparation course duration is for 7 weeks, a total of 42 lectures are delivered for every subject. The test preparation has great emphasis on test-taking methodology and quizzes. The classes at Apex start in the beginning of the year. NUST entry test classes are taken by teachers with over ten years of experience. We have our own data base of MCQs, collected over ten years.

Engineering

NUST test is based on Math, Chemistry/ Computer, Physics and English. At Apex, NUST entry test preparation course duration is for 7 weeks, a total of 42 lectures are delivered for every subject. The test preparation has great emphasis on test-taking methodology and quizzes. The classes at Apex start in the start of the year. NUST entry test classes are taken by teachers with over ten years of experience. We have our own data base of MCQs, collected over ten years.

About NUST

NUST is ranked among the top 500 universities in the world. It is Pakistan's No.1 Sciences & Technology University. It has an Internationally Accredited Curriculum and Collaboration with Good Foreign Universities. NUST offers a wide range of undergraduate and postgraduate programs in following four areas:

- Engineering
- Medicine
- Management
- IT

Undergraduate Degrees Offered

BE Civil Engineering
BE Electrical Engineering
BE Mechatronics Engineering

BE Mechanical Engineering
BE Computer Software Engineering
BE Computer Engineering
BE Electrical (Telecommunications)
BE Mechanical Engineering
BE Electronics Engineering
BE Aerospace Engineering
BE Avionics Engineering
Bachelors in Information and Communication Systems Engineering (BICSE)
BE Electronics Engineering

NUST Medical (AMC)

NUST offers Bachelor of Medicine, Bachelor of Surgery, and Bachelor of Dental Surgery programs extended over a period of five years and four years respectively. These programs are recognized by the Pakistan Medical and Dental Council and General Medical Council, United Kingdom.

Students entering these programs are required to have a minimum qualification of Higher Secondary School Certificate (HSSC Pre-Medical) or equivalent.

NUST Engineering (AMC)

NUST offers Bachelor's Degree Programs in Engineering with a minimum of 136.5 credit hours course work spread over a period of four years.

Admission Criteria

Minimum Qualification

Minimum of 60% aggregate marks each in Matric and in FSc (excluding NCC marks)/ equivalent exams.

FSc (Pre-Engineering) from any Board of Intermediate and Secondary Education or an equivalent qualification like Overseas High School Certificate/ British General Certificate of Education (Advanced level)/ International Baccalaureate/Advance placement with Physics, Chemistry and Mathematics.

FSc/equivalent with a combination of Physics, Mathematics and Computer Studies or Computer

Science for admission in Computer Software Engineering, Computer Engineering, Electronics Engineering, Avionics Engineering, Telecommunication Engineering and Information & Communication System Engineering programmes only.

Dates to remember

Test Date : 20th Sept

SAT Results to reach NUST (National & International Students) : 30 Sept

Entry Test Pattern

Entry Test Comprises of various portions, the weightage of which is as follows for Engineering Discipline

Mathematics 40%

Physics 30%

Chemistry or Computer Science 19%

English 19%
